

J'me fais une place en garderie

ACCORDING TO J'ME FAIS UNE PLACE EN GARDERIE

1. The partnership between parents, educators and other professionals is at the heart of the integration process.
2. The child care service should provide global stimulation and socialization, making accommodations for the specific needs of the child in daily activities.
3. Each integration is unique and our approach respects the needs of each individual.

An organization that supports the integration of physically disabled 0-5-year-olds into child care services

The resource is intended for families who reside on the island of Montreal.
